

J & S Mobile Home transports and relocates mobile homes throughout Orlando, all surrounding communities in Central Florida, and all of Florida.

Established in 1981, we have transported more than 7,000 mobile homes – and have removed homes from over 1,000 parks in Central Florida. We are licensed, bonded and insured – and recognized by many as the best mobile home mover in the business.

We Make Your Mobile Home Transport and Relocation Experience Easy and Hassle-Free

At J & S Mobile Home, we provide a total turn-key service on your home moving. We can handle every detail for you including site preparation. Below is a brief description of our transport service and what we do.

FREE Estimates

To begin with – we provide FREE estimates in the Central Florida area. When you call us, we will schedule a time to meet you. We will come and look at your current location and the new site where your mobile home is going to be transported and relocated.

We will then schedule a date to move the mobile home – and we will start obtaining all the necessary permits.

Weather permitting, J & S Mobile Home can have you relocated and living in your new site within one week.

Our Relocation Service Includes:

- Leveling
- Blocking
- Tie-Downs
- Plumbing

- Electric
- A/C
- Skirting
- Steps
- Roof Work (if necessary)
- Exterior Siding
- Interior Trim-outs and Carpet

In addition, J & S Mobile Home Service also does:

- Site Preparation – let us do the site preparation before moving your home.
- Well, Septic and Power Pole – we can handle these important items for you as well.

And after we're done, we clean the site of all debris.

Call us at 407-281-8339 or 407-468-7406.
